- Back-flip dismount

International Slackline Performance Artistes

"No matter the situation, just breathe and understand your energy."

CARLOS NETO, 29

- 1st Place, World Cup - Las Vegas 2013
- World Slackline Champion (WSFED 2013)
- 1st Place Red Bull Air Lines - Argentina 2014

ABOUT:

Carlos Neto began slacklining in May 2011 and had a great start when he won his first slackline Championship at Itacoatiara beach, Brazil in July 2011. To him, the most important thing slacklining has brought him, isn't winning the trophies, but the friends that he made all over the world.

"Do whatever you want and how everything you want, just trust yourself."

FILIP OLEKSIK, 20

- 3rd Place Red Bull Slackship - Poland 2017
- Polish Slackline Champion
- Walked 97 highlines

ABOUT:

Filip's first brush with the slackline happened in 2012 during his school holiday. He fell in love with the sport right away and is trained in both forms of the slackline—trickline and highline. His favourite aspect of slacklining is how the sport has given him the opportunity to explore the world.
